This complete mathematics curriculum for grades 6-8 helps students utilize engaging interactive problems and motivating everyday situations to learn math concepts.

Pearson Prentice Hall - CMP2

One of the goals of Connected Mathematics is to assist children in figuring out as much as they can for themselves. You can help by asking questions that guide, without telling what to do or giving away answers. Good questions and good listening will help children make sense of mathematics, build self-confidence, and encourage mathematical thinking and communication.
