The broken windows theory is a criminological theory that states that visible signs of crime, anti-

social behavior, and civil disorder create an urban environment that encourages further crime and disorder, including serious crimes. The theory suggests that policing methods that target minor crimes such as vandalism, public drinking, and fare evasion help to create an atmosphere of order and ...

Corporate crime has become politically sensitive in some countries. In the United Kingdom, for example, following wider publicity of fatal accidents on the rail network and at sea, the term is commonly used in reference to corporate manslaughter and to involve a more general discussion about the technological hazards posed by business enterprises (see Wells: 2001).
