State of the World 2013: Is Sustainability Still Possible ...

Like all children, those with disabilities have many abilities, but are often excluded from society by discrimination and lack of support, leaving them among the most invisible and vulnerable children in the world. UNICEF's flagship report The State of the World's Children 2013: Children with Disabilities brings global attention to the urgent needs of a largely invisible population.

State of the World (book series) - Wikipedia

Welcome to the 2013 edition of the Bruce Sterling/Jon Lebkowsky State of the World

conversation/rantfest. Bruce and Jon, old friends and rambunctious digerati, have made this annual mess every year of the 21st century; this year's model should be particularly interesting, given the current hyperactive state of the world and the abundance of available conceptual lenses.
